

ST. PAUL'S CATHOLIC SCHOOL JACKSONVILLE BEACH

Three Year Report

August 2016

Dear Parents and Friends of St. Paul's Catholic School,

As we begin my fourth year as principal at SPCS, it is time to reflect and evaluate our last three years. I hope that this three-year report provides a snapshot of our growth and success. A similar document was presented to the Florida Catholic Conference in November, 2015 as a follow up to our 2012 accreditation. Please review this report for an update regarding financial allocations, facility improvements and opportunities provided for SPCS students. I am proud of our accomplishments over the course of these three years. This was accomplished through the wonderful collaboration and hard work of our PTA, Carnival, Dad's club, outstanding faculty, and incredible support from our Pastors.

St. Paul's Catholic School is a ministry of the St. Paul's parish community that walks with children and their families, providing both faith formation and a challenging academic program. As you review this report, I am sure you will see that the school is a tremendous asset to our parish as well as a source of pride for our community.

It is truly an honor to serve as principal and I look forward to our future with great excitement. Thank you to each and every parent for your ongoing support.

In Christ,

Krissy Thompson

The last three years have seen many changes...facility upgrades, technology upgrades, security upgrades, a focus on leadership opportunities for students, expansion in extra curricular activities, and more opportunities to be living examples of the faith based life.

A Snapshot of our School

Who are we?

St. Paul's Catholic School in Jacksonville Beach, FL has a tradition of inspiring faith and excellence in students for over 65 years and offers a fully accredited, affordable education for children of all faiths. We currently have 605 students in grades PreK-4 through eighth grade. Approximately 30 children are in each class, with two classes of each grade level. PreK-4 classes are capped at 20.

A new offering is our Kindergarten Prep grade level, a year between PreK-4 and Kindergarten. It serves our summer birthday students and offers them the gift of time. We all also offer an Early Learning Center for children 18 months to three years.

St. Paul's was selected as a Blue Ribbon School in 2011. This status is now permanent.

St. Paul's implements the Stephen Covey Seven Habits of Highly Effective Students and has introduced "The Leader and Me" program throughout all grade levels.

Parent involvement and parish support is a vital component to our success. Our school is a family and our parents are key to our success. Our events have become a legacy for several generations.

St. Paul's Catholic School provides a superior education in a secure and stimulating, faith-based environment that encourages the spiritual, academic, social, and physical development of each individual child.

St. Paul's Students

- ◆ Rank in the top 10% on National Achievement Test
- ◆ Won State and Regional awards for academics and sports.
- ◆ Won multiple divisional championships in basketball, volleyball, soccer, softball and cross country in the last few years.
- ◆ Are well-prepared for the academic and social challenges of transitioning into both public and private high schools. Diocesan statistics confirm that 99% of our Catholic School students will graduate from high school, 98% will go on to college,

St. Paul's Teachers

- ◆ Are Florida-certified teachers, 12 with graduate degrees
- ◆ View their teaching as a ministry
- ◆ Average 17 years of teaching experience
- ◆ Utilize teaching assistants in the classroom (Pre-K-4 through 5th grade)
- ◆ Strive to continuously improve their craft, attending over 1,500 hours of professional development annually.

Financial Information

- Tuition and fees incurred a 3% increase annually over the last three years to offset the rising cost of operations.
- \$ 51, 500 was awarded in financial aid for the 2015-2016 school assisting our K-8 families. These families required assistance due to illness, job loss, and other financial hardships. We are so thankful that we were able to assist in continuing the Catholic education of these students. These funds are provided through the dedicated efforts of the annual golf tournament and other generous benefactors.
- We also accepted \$109,354 in Step Up for Students Scholarship funds in 2015-2016 assisting 28 students.

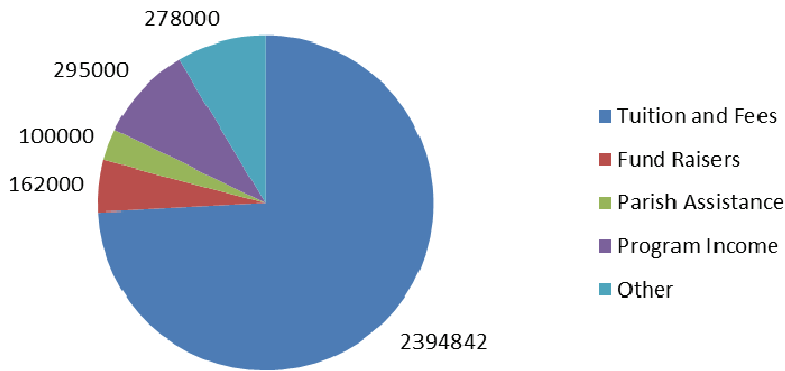

FUNDRAISERS INVOLVE OUR FAMILIES IN THE LIFE OF OUR SCHOOL AND PROVIDE A SIGNIFICANT PORTION OF INCOME FOR THE SCHOOL. YOU ARE AN EXAMPLE OF SERVICE IN ACTION FOR OUR STUDENTS. THANK YOU!

School Wide Goals 2016-2017

To serve as an excellent example and role model of faith and service to students

To incorporate varied technology into multiple instruction and assessment strategies

To increase student use of leadership and 21st century skills: the **5 C's** of Global Learners—**C**urate information, **C**ommunicate knowledge, **C**ritical thinking/problem solving, **C**ollaboration, and **C**reativity.

The mission of the St. Paul's Catholic School community is to provide an environment where the Gospel message and teachings of the Catholic Church are woven throughout quality education.

We believe...

- each child should be recognized as an individual and capable of learning.
- children should be instilled with a strong sense of responsibility for their learning.
- teachers should provide a variety of technological and educational approaches to prepare each child for an ever-changing world.
- teachers should promote personal best effort to achieve academic excellence.
- open communication and mutual respect prepares the heart, mind and soul to meet life's many and varied challenges.
- service to school, parish, community, country and the world is essential

Thinking ahead to High School? Catholic schools do an amazing job with a very tight budget. For example, base annual tuition for a high school student at local College Prep High Schools:

Bishop Kenny \$7,930

Providence \$11,997

Episcopal \$22,400

Bolles \$23,870
